Integrate Unity Ads into your mediation platform

1. Follow the instructions in the [Unity Ads Mediation Integration Guide](#). You might need to reference the following IDs:

Organization Core ID

3574394861444

Game ID

6123818

6123819

Monetization Stats API Key

2f46009df956ef3dce565d3c954041ec7ac19afb
7342b1e692fa629bcd0b9d26

2. Ensure that you use the latest version of **Unity Ads SDK** ([iOS](#) or [Android](#)) and **Adaptor** ([iOS](#) or [Android](#)). If you are using the **Unity Editor**, see [how to install the Unity SDK](#).

Print the instructions

[Finish](#)
